

Daphna Heller: Curriculum Vitae

A. BIOGRAPHICAL INFORMATION**1. PERSONAL**

Daphna Heller 100 St. George St., Room 4088
Toronto, ON M5S 3G3

2. DEGREES

- Ph.D, 2005 Linguistics, Rutgers.
Thesis: *Identity and Information: Semantic and Pragmatic Aspects of Specificational Sentences.*
Supervisor: Veneeta Dayal.
- M.A. 1999 Linguistics, Tel Aviv University.
Summa Cum Laude Thesis: *The Syntax and Semantics of Specificational Pseudoclefts in Hebrew.*
Supervisors: Fred Landman (Tel Aviv University)
 Susan Rothstein (Bar Ilan University)
- B.A. 1996 Linguistics & Arabic Language and Literature, Tel Aviv University.
Magna Cum Laude

3. EMPLOYMENT

- 2014- Associate Professor of Linguistics, University of Toronto.
- 2009-2014 Assistant Professor of Linguistics, University of Toronto.
- 2008-2009 Post-doctoral Fellow, Department of Psychology, University of Toronto.
Supervisor: Craig G. Chambers
- 2007-2008 Post-doctoral Fellow, Department of Brain & Cognitive Sciences, University of Rochester.
Supervisor: Jeffery T. Runner
- 2004-2007 Post-doctoral Fellow, Department of Brain & Cognitive Sciences, University of Rochester.
Supervisor: Michael K. Tanenhaus

VISITING POSITIONS

- 2015-2016 Visiting scholar, Department of Psychology, IDC Herzliya, Israel.

4. HONOURS

- 1995 Academic Excellence Award commemorating fallen Israeli soldiers, Tel Aviv University, Israel.
- 1995 Cited on the Dean's list for academic achievements, Tel Aviv University, Israel.

5. PROFESSIONAL AFFILIATIONS AND ACTIVITIES

- 2008- Member of the Linguistic Society of America

B. ACADEMIC HISTORY

6.

A. RESEARCH ENDEAVOURS

- Sentence processing in adults.
- Experimental semantics and pragmatics, with special focus on reference.
- The role of context in language processing, especially mental states.
- Linguistic studies of Modern Hebrew.

B. RESEARCH AWARDS

Awarded (as Principal Investigator)

- | | |
|-----------|--|
| 2016-2022 | SSHRC Insight Grant (external): \$135,734
“Finding common ground: How listeners and speakers integrate perspectives in language processing” |
| 2011-2014 | Connaught New Researcher Award (U of T internal grant): \$10,000
“Using eye-movements to study spoken word recognition in Hebrew” |
| 2011-2013 | SSHRC Standard Research Grant (external): \$31,285
“The use of information about common ground in real time processing” |
| 2010-2012 | Canada Foundation for Innovation (CFI): Leaders Opportunity Fund (external): \$43,984
“Eye tracking laboratory for the study of language in conversation” |

C. SCHOLARLY AND PROFESSIONAL WORK

7. REFEREED PUBLICATIONS

NOTE: BEING THE LAST AUTHOR IMPLIES THAT THE PUBLICATION COMES OUT OF MY LAB AND IS PART OF MY RESEARCH PROGRAM.

A. Journal articles

- | | |

- 2002 **Heller, D.** On the relation of connectivity and specificational pseudoclefts. *Natural Language Semantics*, 10, 243-284.

B. Invited Book Chapters

- 2018 Brown-Schmidt, S & **Heller D.** Chapter 23: Perspective-Taking During Conversation. In M.G. Gaskell & S-A Rueschemeyer (eds.) *Oxford Handbook of Psycholinguistics*, pp. 551-574 [equal contribution].
- 2009 **Heller, D.**, Grodner, D. & Tanenhaus, M. K. The real-time use of information about common ground in restricting domains of reference. In U. Sauerland & K. Yatsushiro (eds.), *Semantics and Pragmatics: from Experiment to Theory* (pp. 228-248), Palgrave Studies in Pragmatics, Language & Cognition. [lead author]
- 2007 Caponigro, I. & **Heller, D.** The non-concealed nature of free relatives: Implications for connectivity crosslinguistically. In P. Jacobson & C. Barker (eds.) *Direct Compositionality* (pp. 237-263), Oxford Academic Press. [equal contribution]

C. Refereed Conference Proceedings

- 2018 **Heller, D.** & Stevenson, S. Modelling reference production using the simultaneity approach: A new look at referential success. *Proceedings of the 40th cognitive science society* [lead author].
- 2016 Mozuraitis, M., Stevenson, S. & **Heller D.** Combining Multiple Perspectives in Language Production: A Probabilistic Model. *Proceedings of the 38th cognitive science society* [senior author].
- 2009 **Heller, D.**, Skovbrotten, K. & Tanenhaus, M. K. Experimental Evidence for speakers' sensitivity to common vs. privileged ground in the production of names. In K. van Deemter, A. Gatt, E. Krahmer, & R. van Gompel (eds.) *Workshop on the Production of Referring Expressions: Bridging the gap between computational and empirical approaches to reference* (PRE-CogSci 2009), Amsterdam. [lead author]

8. NON-REFEREED PUBLICATIONS

- 2016 Tollan, R. & **Heller, D.** Elvis Presley on an island: *wh* dependency formation inside complex NPs. *Proceedings of NELS (North East Linguistic Society)* 46 [senior author].
- 2010 **Heller, D.** & Wolter, L. On direct reference and perceptually grounded descriptions. *Proceedings of the 46th annual meeting of the Chicago Linguistics Society*. [equal contribution]
- 2010 **Heller, D.** & Wolter, L. Identity and indeterminacy in *-ever* free relatives. In T. Friedman & S. Ito (eds.) *Proceedings of SALT (Semantics and Linguistic Theory) XVIII* (pp.394-410), Ithaca, NY: Cornell University. [equal contribution]
- 2008 **Heller, D.** & Wolter, L. That is Rosa: Identificational sentences as intentional predication. In Grønn, Atle (ed.), *Proceedings of Sinn und Bedeutung 12* (pp. 226-240), Oslo: Department of Literature, Area Studies and European Languages, University of Oslo. [equal contribution]
- 2002 **Heller, D.** On the construct state, uniqueness and genitive relations. *Proceedings of IATL (Israeli Association for Theoretical Linguistics)* 18.

- 2002 **Heller, D.** Possession as a lexical relation: Evidence from the Hebrew construct state. In L. Mikkelsen & C. Potts (eds.), *WCCFL 21 Proceedings* (pp. 127-140), Cascadilla Press.

9. MANUSCRIPTS

Maddeaux, R, Grant M. & **Heller, D.** Effect of discourse and action on visual attention during language processing. Under view.

Heller, D. The production and comprehension of referring expressions. Invited contribution to *Language and Linguistic Compass*.

Heller, D. & Ben-David, B. On the activation of consonantal roots during spoken word recognition.

Tollan, R. & **Heller, D.** Pronoun resolution in an ergative language: effects of case and transitivity.

Heller, D. & Brown-Schmidt, S. Towards a representation of self and other.

Zheng, X., **Heller, D.**, Stevenson, S. & Breheny, R. How interaction affects (un)certainly about the partners' perspectives.

10. PAPERS PRESENTED AT MEETINGS AND SYMPOSIA

Spoken presentations

- Upcoming **Heller, D.** & Stevenson, S. Speakers are not maximally rational when choosing referring expressions. Rational approaches in Language Sciences (RAILS), Saarland, Germany.
- 2019 Tollan, R. & **Heller, D.** Effects of case and transitivity on pronoun interpretation: non-unitary 'subject'hood. To be presented at Experimental Pragmatics (XPRAG), Edinburgh, June, 19th.
- 2018 Maddeaux, R., Grant, M. & **Heller, D.** Effect of discourse and action on visual attention during language processing. Paper presented at AMLaP (Architectures and Mechanisms for Language Processing), Berlin, September 7th.
- 2018 **Heller, D.** & Stevenson, S. Modelling reference production using the simultaneity approach: A new look at referential success. Paper presented at 40th annual meeting of the Cognitive Science Society, Madison, July 28th.
- 2018 Tollan, R. & **Heller, D.** Case, transitivity, and subject-object asymmetries in *wh*-question processing. Paper presented at the West Coast Conference on Formal Linguistics (WCCFL) 36, UCLA, April 20th.
- 2018 Tollan, R. & **Heller, D.** Ergativity, transitivity, and subject-object processing asymmetries in Niuean. Paper presented at the 31st annual CUNY Conference on Human Sentence Processing, Davis, CA, March 15th.
- 2016 Mozuraitis, M. Stevenson, S. & **Heller, D.** Combining Multiple Perspectives in Language Production: A Probabilistic Model. Paper presented at the 38th meeting of the Cognitive Science Society, Philadelphia, August 13th.
- 2015 **Heller, D.** & Ben-David, B. Morphological activation during spoken word recognition: beyond sound and meaning? Paper presented at the meeting of the Israeli Association for Theoretical Linguistics (IATL), Bar-Ilan University, October, 14th.
- 2015 Moed, D. & **Heller, D.** What visual memory can tell us about the context: the case of modification. Paper presented at Sinn und Bedeutung 20, Tuebingen, September 9th.
- 2015 Moed, D. & **Heller, D.** Is the empty cage the same as the cage without the dog? How types of modifiers affect the representation of alternatives. Paper presented at Experimental Pragmatics (XPRAG), Chicago, July 16th.
- 2014 Chambers, C. G. & **Heller, D.** Incremental interpretation and reference to contrast sets. Paper presented at AMLaP (Architectures and Mechanisms for Language Processing), Edinburgh, September 6th.

- 2012 Mozuraitis, M. & **Heller, D.** When accenting does not introduce alternatives: discourse coherence and pronoun. Paper presented at the 25th annual CUNY Conference on Human Sentence Processing, New York, March 14th.
- 2011 **Heller, D.** & Wolter, L. Beyond demonstratives: direct reference in perceptually-grounded descriptions. Paper presented at TPrag (Theoretical pragmatics), Berlin, October 13th.
- 2011 Parisien, C., **Heller, D.** & Stevenson, S. Probabilistic perspectives: How uncertainty about common ground affects domains of reference. Paper presented at AMLaP (Architectures and Mechanisms for Language Processing), Paris, September 2nd.
- 2011 **Heller, D.** & Chambers, C. G. Semantic and pragmatic effects of adjective class: Evidence from production and comprehension experiments. TOM 4 (The Toronto-Ottawa-Montreal semantics workshop), Toronto, April 9th.
- 2010 **Heller, D.** & Wolter, L. On direct reference and perceptually grounded descriptions. Paper presented at the 46th annual meeting of the Chicago Linguistics Society. University of Chicago, April 9th.
- 2009 **Heller, D.**, Skovbrotten, K. & Tanenhaus, M. K. Experimental evidence for speakers' sensitivity to common vs. privileged ground in the production of names. Paper presented at the pre-CogSci workshop *Production of referring Expressions: Bridging the Gap between Computational and Empirical Approaches to Reference*. Amsterdam, July 29th.
- 2009 **Heller, D.**, Skovbrotten, K. & Tanenhaus, M. K. How speakers use names distinguishes between shared and privileged information. Paper presented at the 22nd CUNY conference on Human Sentence Processing, University of California, Davis. March 27th.
- 2008 **Heller, D.** & Wolter, L. Identity and indeterminacy in *-ever* free relatives. Paper presented at SALT 18 (Semantics and Linguistic Theory), Umass, Amherst. March 21st.
- 2008 **Heller, D.**, Grodner D. & Tanenhaus, M. K. Big duck, small duck, what do you see? Real-time integration of perspective information. Paper presented at the 21st CUNY conference on Human Sentence Processing, University of North Carolina, Chapel Hill. March 15th.
- 2008 **Heller, D.**, Grodner, D. & Tanenhaus, M. K. Integrating information about common ground in real-time: evidence from eye-tracking. Paper presented at the annual meeting of the Linguistic Society of America. Chicago, January 3rd.
- 2007 **Heller, D.** & Wolter, L. That is Rosa: Identificational sentences as intentional predication. Paper presented at *Sinn und Bedeutung* 12, University of Oslo, September 20th.
- 2007 **Heller, D.**, Grodner D. & Tanenhaus, M. K. Taking perspective: Evidence for real-time integration of information about common ground. Paper presented at *Experimental Pragmatics (XPRAG)*, Berlin, Germany, December 16th.
- 2003 Caponigro, I. & **Heller, D.** The non-concealed nature of free relatives: Implications for connectivity crosslinguistically. Invited talk to the Workshop on Direct Compositionality, Brown University, June 19th.
- 2002 **Heller, D.** On the construct state, Uniqueness and genitive relations. Paper presented at IATL 18 (Israeli Association for Theoretical Linguistics), Bar Ilan University, June 24th.
- 2002 **Heller, D.** Possession as a lexical relation: Evidence from the Hebrew construct state. Paper presented at WCCFL 21 (West Coast Conference on Formal Linguistics), UC Santa Cruz, April 5th.
- 2000 **Heller, D.** On the relation of connectivity and specificational pseudoclefts. Paper presented at the Workshop on the Syntax and Semantics of Relative Clause Constructions, Tel Aviv University, June 14th.

Poster presentations

- 2019 Zheng, X., **Heller, D.**, Stevenson, S. & Breheny, R. How interaction affects (un)certainly about the partners' perspectives. To be presented at Experimental Pragmatics (XPRAG), Edinburgh, June 19th.
- 2019 Parker, M. & **Heller, D.** Prototypicality predicts the unnecessary mention of state information in referring expressions. To be presented at Experimental Pragmatics (XPRAG), Edinburgh, June 19th.
- 2019 Klassen, G., Jaffan, J. & **Heller, D.** Gestural production as a window to semantic effect on word order in noun phrases. To be presented at the workshop on "Interaction and the evolution of linguistic complexity", Edinburgh, June 18th.
- 2019 Zheng, X., **Heller, D.**, Stevenson, S. & Breheny, R. How interaction affects (un)certainly about the partners' perspectives. Poster presented at the 32nd annual CUNY Conference on Human Sentence Processing, Boulder, CO, March 29th.
- 2019 Tollan, R. & **Heller, D.** Pronoun resolution in an ergative language: effects of case and transitivity. Poster presented at the 32nd annual CUNY Conference on Human Sentence Processing, Boulder, CO, March 30th.
- 2019 Parker, M. & **Heller, D.** Overspecifying state information in the production of referring expressions. Poster presented at the 32nd annual CUNY Conference on Human Sentence Processing, Boulder, CO, March 31th.
- 2018 **Heller, D.** & Stevenson, S. Audience Design and Referential Success: A Test of the Simultaneity Approach. Poster presented at the 31st annual CUNY Conference on Human Sentence Processing, Davis, CA, March 17th.
- 2018 Blake, K-A. & **Heller, D.** Semantic Effects of Adjective Classes: Evidence from Memory. Poster presented at the 31st annual CUNY Conference on Human Sentence Processing, Davis, CA, March 17th.
- 2017 **Heller, D.** & Moed, D. On the relation of linguistic forms, memory and attention: the case of modification. Poster presented at the 30th annual CUNY Conference on Human Sentence Processing, MIT, April 1st.
- 2017 Mozuraitis, M., Stevenson, S. & **Heller, D.** Modeling different types of knowledge mismatches in perspective-taking. CSLI workshop: Bridging computational and psycholinguistics approaches to the study of meaning, Feb. 17th.
- 2016 Tollan R. & **Heller D.** Effects of definiteness and *wh* type on filler-gap dependency. Poster presented at the 27th annual CUNY Conference on Human Sentence Processing, Gainesville, FL, March 3rd.
- 2016 Mozuraitis, M., **Heller, D.** & Stevenson, S. Combining the Speaker's and Addressee's Views to Explain Patterns of Reference Production: A Probabilistic Computational Model. Poster presented at the RefNet Round Table Event, Aberdeen, January 15th.
- 2015 Tollan R. & **Heller D.** Elvis Presley on an island: *wh* dependency formation inside complex NPs. Poster presented at the meeting of the North East Linguistic Society (NELS) 46, Montreal, October 17th.
- 2015 Mozuraitis, M. & **Heller, D.** Speakers' sensitivity to knowledge mismatch about object categorization. How common ground regarding object category affects the form of referring expressions. Poster presented at Architecture and mechanisms for language processing (AMLaP), Malta, September 6th.
- 2015 Mozuraitis, M. & **Heller, D.** Speakers' sensitivity to knowledge mismatch about object categorization. How common ground regarding object category affects the form of referring expressions. Poster presented at Experimental Pragmatics (XPRAG), Chicago, July 16th.
- 2015 Mozuraitis, M. & **Heller, D.** Speakers' sensitivity to knowledge mismatch about object categorization. Poster presented at the 28th annual CUNY Conference on Human Sentence Processing, Los Angeles, CA, March 19th.

- 2013 **Heller, D.** & Deutsch, A. Morphological activation during spoken word recognition in Hebrew. Poster presented at the 26th annual CUNY Conference on Human Sentence Processing, Columbia, SC, March 22nd.
- 2012 Yee, E., **Heller, D.** & Sedivy, J. C. Looking more when you know less: Goal-dependent eye movements during reference resolution. Poster presented at the 53rd Annual Meeting of the Psychonomic Society, Minneapolis, Minnesota, USA.
- 2012 **Heller, D.**, Parisien, C. & Stevenson, S. Perspective-taking behavior as the probabilistic weighing of multiple domains. Poster presented at the 25th annual CUNY Conference on Human Sentence Processing, New York, March 16th.
- 2011 **Heller, D.** & Chambers, C. G. Effects of adjective type on referential expectations in discourse. Poster presented at Experimental Pragmatics (XPRAG), Barcelona, June 4th.
- 2011 **Heller, D.** & Chambers, C. G. Producing and comprehending contrastive reference: Effects of prior discourse. Poster presented at the 24th annual CUNY Conference on Human Sentence Processing, Stanford, March 24th.
- 2010 Skovbrotten, K., Gegg-Harrison, W., **Heller, D.**, & Tanenhaus M.K. To name or not to name: the role of shared experience in speakers' choice of referring expressions. Poster presented at the 23rd annual CUNY Conference on Human Sentence Processing, NYU, March 21st.
- 2009 Yee, E., **Heller, D.** & Sedivy, J. On the relationship between eye-movements and activation: active vs. passive tasks during ambiguous pronoun resolution. Poster presented at the 22nd CUNY conference on Human Sentence Processing, University of California, Davis. March 28th.
- 2008 **Heller, D.**, Skovbrotten, K. & Tanenhaus, M. K. Joint effects of knowledge overlap (bias) and strength of memory representations. Poster presented at the 14th annual conference on Architectures and Mechanisms for Language Processing (AMLaP), Cambridge, UK, Sept. 4th.
- 2008 **Heller D.**, Arnold, J. E., Klein N. & Tanenhaus M. K. What do listeners expect when the speaker is disfluent: something unfamiliar or something hard to name? Poster presented at the 21st CUNY conference on Human Sentence Processing, University of North Carolina, Chapel Hill. March 13th.
- 2007 **Heller, D.**, Yee, E. & Sedivy, J. C. What do eye movements tell us about reference resolution? Using ambiguous pronouns to evaluate the linking hypotheses. Poster presented at the 20th CUNY conference on Human Sentence Processing, San Diego, March 29th.

11. INVITED LECTURES

- 2018 Are speakers guided by communicative success in choosing referential forms? Colloquium, Department of Linguistics, University of Arizona, March 13th.
- 2017 Knowledge differences and the production of referring expressions: Experimental evidence and computational modelling. University of Toronto Linguistics, March 10th.
- 2016 What visual memory (and visual attention) tell us about modification. Colloquium. Language, Logic and cognition Center, the Hebrew University in Jerusalem, Israel, March 31st.
- 2016 What visual memory can tell us about the context: The case of modification. Linguistics colloquium, Department of English, Bar Ilan University, Israel, January 19th.
- 2015 What visual memory can tell us about the context: The case of modification. Department of Linguistics, Tel Aviv University, Israel, November 5th.
- 2015 Modification and contrast: A view from psycholinguistics. Invited Speaker, TOM 8 (The Toronto-Ottawa-Montreal semantics workshop), Ottawa, April 11th.
- 2014 Perspective-taking behavior as the probabilistic weighing of multiple domains. Cognitive Science Colloquium, Center for Cognitive Science, SUNY Buffalo, February 26th.

- 2013 On the probabilistic nature of referential domains: evidence from mismatched perspectives. Interdisciplinary Colloquium, Department of Linguistics, Tel Aviv University, Israel, December 26th.
- 2013 Beyond Demonstratives: Direct reference in perceptually grounded descriptions. SemBabble, Department of Linguistics UC San Diego, April 16th.
- 2013 Common ground and the probabilistic nature of referential domains. Centre for Research on Brain, Language and Music, McGill, February 20th.
- 2012 The nature of referential domains: Evidence from eye-tracking experiments. Colloquium. Language, Logic and cognition Center, the Hebrew University in Jerusalem, December 31st.
- 2012 The visual world eye-tracking paradigm: An introduction. Department of Psychology, IDC Herzliya, December 17th.
- 2012 Common ground and the probabilistic nature of referential domains. Colloquium, Department of Linguistics and Languages, McMaster, November 21st,
- 2012 Common ground and the probabilistic nature of referential domains. Keynote address, RULingVII, Rutgers, NJ, May 5th.
- 2011 Production and comprehension of contrastive reference: effects of adjective class and prior discourse. Colloquium, Department of Linguistics, Tel Aviv University, December 22nd.
- 2010 The use of common ground information in real-time comprehension and production. Colloquium, Department of Linguistics, University of Arizona, February 19th.
- 2009 The use of perspective information in real-time comprehension and production. Department of Computer Science, University of Toronto, December 2nd.
- 2008 How listeners use information about common ground in real-time comprehension. Colloquium, Department of English, University of Haifa, Israel, December 31st.
- 2008 The use of common ground information in real-time processing. Linguistics colloquium, Department of English, Bar Ilan University, Israel, December 30th.
- 2007 Common ground in real-time processing: Evidence from eye-tracking. Department of Phonetics & Linguistics, University College London, June 20th.
- 2007 The use of perspective information in language comprehension: What eye-movements tell us about real-time processing. Max-Wertheimer Minerva Center for Cognitive Processes and Human Performance. University of Haifa, March 8th.
- 2007 The use of perspective information in real-time processing: Two eye-tracking studies. Colloquium, Department of Linguistics, Tel Aviv University, March 1st.
- 2007 The Use of perspective Information in real-time processing: Evidence from eye-movements. Colloquium, Department of English, the Hebrew University of Jerusalem, February 27th.

Local & informal presentations

- 2018 Morphological activation during spoken word recognition in Hebrew. Ussishkin lab meeting, University of Arizona, March 13th.
- 2016 Morphological activation during spoken word recognition (with Boaz Ben-David), Psycholinguistics Research Group, University of Toronto, September 23rd.
- 2014 Morphological activation during spoken word recognition: beyond sound and meaning? (with Boaz Ben-David), Psycholinguistics Research Group, University of Toronto, June 27th.
- 2014 Morphological activation during spoken word recognition: beyond sound and meaning? (with Boaz Ben-David), CRC-Sponsored Summer Phonetics/Phonology Workshop, University of Toronto, June 19th.

- 2013 Common ground and the probabilistic nature of referential domains. Psycholinguistics Research Group, University of Toronto, February 1st.
- 2011 Lexical access in Hebrew. Psycholinguistics Research Group, University of Toronto, November 4th.
- 2010 Using the visual world eye-tracking paradigm (with Craig Chambers), Psycholinguistics Research Group, University of Toronto, November 19th.
- 2010 Do referring expressions "indirectly name" contrasting objects in the domain of reference? Psycholinguistics Research Group, University of Toronto, April 23rd.
- 2009 The integration of contextual information in real-time processing. Department of Linguistics, University of Toronto, January 30th.
- 2008 Global and local strategies in keeping track of common ground, Psycholinguistics Research Group, University of Toronto, October 31st.
- 2008 On copular sentences and identification. Syntax Project, Department of Linguistics, University of Toronto. August 13th.
- 2004 First among equals: Informativeness and the choice of referring expressions. Department of Brain and Cognitive Sciences, University of Rochester. May 3rd.
- 1999 Two pronominal copulas and three pseudoclefts in Hebrew. Colloquium, Department of Linguistics, Tel Aviv University, May 13th.

D. TEACHING

12.

A. UNDERGRADUATE COURSES TAUGHT

Psychology of language (JLP374)	Fall 2009-2014, 2016-2018.
Advanced psycholinguistics (JLP471)	Winter 2011-2012, 2014, 2017-2019.
Quantitative methods (LIN305)	Winter 2010- 2013, Fall 2013-2014, Fall 2016.
Independent study (LIN499)	Fall 2011-Winter 2012: Assunta Ferrante Fall 2011-Winter 2012: Patrick McElcheran Fall 2012-Winter 2013: James Drake Fall 2014: Rafiya Asad Winter 2018: Jida Jaffan Fall 2018-Winter 2019: Rosemary Webb Winter 2019: Bahareh Doroudiani
Language & advertising (TBB199)	Fall 2012, Winter 2017, Fall 2018.
Research Opportunity (ROP299)	Fall 2016/Winter 2017: Bahareh Doroudiani

B. GRADUATE COURSES TAUGHT

Experimental design (LIN1205) Fall 2011, Winter 2013- 2014, Winter 2018.
 Quantitative methods (LIN1005) Fall 2017, Winter 2019.

Graduate sections in mixed courses

Psychology of language (JLP2450) Fall 2009, Fall 2012- 2014.
 Quantitative methods (LIN1005) Winter 2010- 2013, Fall 2013- 2014, Fall 2016.
 Language Processing (LIN1270) Winter 2014, Winter 2017, Winter 2018, Winter 2019.

C. THESES SUPERVISED

2015-2019 Rebecca Tollan
 “Cross-linguistic effects of subjecthood, case and transitivity in syntax and sentence processing”

Ph.D. committees

2016- Gaby Klassen (Department of Spanish & Portuguese)
 2011-2013 Andreea Kosa: “Sibilant Harmony”
 2011-2012 Kenji Oda: “Issues in the Left Periphery of Modern Irish”

Ph.D. exam committees

2015 Mindaugas Mozuraitis (Psychology) “Managing Privileged Knowledge about Identity in Language Comprehension”
 2014 Varada Kolhatkar (Computer Science): “Resolving shell nouns”.
 2012 Cara Tsang (Psychology): “Exploring impulsive activation during spoken language comprehension”.

General papers supervision

2018 Frederick Getz “Community membership as the cue to common ground: the role of feedback”
 2016 Ruth Maddeaux: “The role of reference and negation in the processing of presuppositional information” (co-supervised with Margaret Grant)
 2014 Rebecca Tollan: “How surprising is it to encounter Elvis Presley? Filled-gap effects in complex *wh*-questions”.
 2011 LeAnn Brown: “How phonetic micro-variation affect perception of gender”.
 2011 Mindaugas Mozuraitis: “Discourse relations and accented pronouns” (PSY300)
 *PSY300 is a mandatory independent study course where PhD students need to conduct research outside their area of specialty. The scope is similar to a generals paper in Linguistics.

General papers committee

2018-2019 Virgilio Partida Penalva “The processing of Direct Object Markers in Spanish”
 2018 Andrei Munteanu “Homophony avoidance in Russian morphological processes”
 2012 Julie Goncharov: “Comparing propositional attitudes: a semantic analysis of Russian propositional adverb *skoree* ‘sooner’”
 2011 Michelle St. Amour: “On definitely being unique in Inuktitut”

- 2011 Mercedeh Mohaghegh: “Voicing in Persian”
- 2010 Andreea Kosa: “Sibilant Harmony: Investigating the connection between typology and learnability through artificial language experiments”

MA supervision

- 2018-2019 Jida Jaffan “Numeral before Noun except after Adjective: Assessing the validity of isomorphic structures and harmony preferences in explaining underlying word order preferences in the noun phrase”
- 2017-2018 Megan Parker “Open doors and closed laptops: overspecifying state information in the production of referring expressions”.
- 2016-2018 Kelly-Ann Blake “Properties of relative and absolute adjectives and their role in language production”
- 2013-2014 Danielle Moed: “Is the pan without eggs the same as the empty pan? How types of modifiers affect choice of referring expression and memory”.

MA second reader

- 2010 Jason McCrimmon: “Comparison and nominal gradability”

D. OTHER TEACHING

- 2016 Experimental design reading group (weekly meetings), Department of Linguistics, Tel Aviv University, Spring term.
- 2016 Workshop on analyzing visual world eye tracking data, Department of Psychology, IDC Herzilya, April 12 and April 19.
- 2015 Guest lecture on visual world eye tracking in the course “directed research” (Instructor: Dr. Boaz Ben David), Department of Psychology, IDC Herzilya, November 3, 2015.
- 2012 Lecture for 3rd year Psychology students at IDC Herzliya about psycholinguistics and pursuing graduate studies in North America: “Psycholinguistics in a nutshell” (in Hebrew). 60 minutes, December 17th.
- 2012 Presented at the conference for gifted high school student: “psychology of language” (45 minutes), February 22nd.
- 2010 Organized a 2-day statistics workshop on mixed-effects modeling techniques (presenter: Carlos Gomez Gallo, then at Harvard), July 22-23.
- 2009 Guest lecture: “The integration of perspective information in real-time processing”, PSY323, Department of Psychology, University of Toronto, Mississauga.

E. ADMINISTRATIVE POSITIONS

13.

A. WITHIN THE UNIVERSITY

Committees: Department of Linguistics

- 2017-2019 Graduate admissions committee
- 2016-2019 Research funding committee (chair)
- 2013-2014 Research funding committee (member)
- 2011-2014 Curriculum committee

2010-2014 Cognitive science committee

2010-2014 Guest speaker committee

Committees: Department of Linguistics (cont.)

2018-2019 Linguistics – Cognitive Science position search committee

2016-2017 Teaching Stream position search committee

2014 Semantics position search committee

2014 Psycholinguistics CLTA search committee

2014 Semantics CLTA search committee

Committees: University of Toronto

2009- 2014, 2016- Cognitive science advisory committee, Faculty of Arts & Science.

2018 Chair search committee, Department of Linguistics, Faculty of Arts & Science.

2016-2017 Joint Computer Science / Cognitive Science position search committee

2014 Director search committee for Cognitive Science program, Faculty of Arts & Science.

2012 Chair search committee, Department of Linguistics, Faculty of Arts & Science.

Other service

2008-2019 Psycholinguistics research group: founder and organizer.

2011 Organized a workshop on phonology: acquisition, learnability & processing (with Keren Rice and Andreea Kosa).

B. OUTSIDE THE UNIVERSITY

Reviewer for journals

Cognition
 Journal of East Asian Linguistics
 Journal of Experimental Psychology: Learning, Memory & Cognition.
 Journal of Memory and Language
 Journal of Pragmatics
 Journal of Semantics
 Language, Cognition & Neuroscience (formerly: Language & Cognitive Processes)
 Linguistics Vanguard
 Natural Language Semantics
 Research on Language and Computation
 Speech Communication
 The Linguistic Review
 Glossa: a journal of general linguistics

Reviewer of book chapters

John Benjamins (2009)
 Palgrave studies in Pragmatics, Language and Cognition (2008)
 Sedivy: "*Language in Mind*" textbook (2017)

Program committees

Workshop on the production of referring expressions (2011, 2013).
 ESSLLI 2014 Workshop on formal and experimental pragmatics (2014).

Reviewer for conferences Architectures and Mechanisms for Language Processing (2011, 2012, 2016-2018)
 CUNY conference on human sentence processing (2007-2014,2016-2019)
 Israeli Association for Theoretical Linguistics. (2004-2010, 2014-2018).
 LSA annual meeting (2009, 2010, 2015)
 SALT (Semantics and Linguistic Theory) (2006-2011, 2013, 2015, 2017).
 WCCFL (2013)
 Canadian Linguistic Association (2018-2019)

F. OTHER INFORMATION

Undergraduate Research Assistants

Bahareh Doroudiani	May 2017-now
Rosie Webb	June-august 2018
Jida Jaffan	July 2017-Aug 2018
Kim Mina	February 2017- May 2018
Kelly-Ann Blake	October 2014- August 2016
Rafiya Asad	October 2013-July 2015
Allison Soong	May-August 2014
Uri Priel	May 2013 – June 2014
Lyndsey Leask	March 2014 – May 2014
Steven Bukai	August 2012 – August 2013
Assunta Ferrante	May 2012 – August 2013
Michelle Scott	April 2011 - May 2013
Partick McElcheran	May 2011 - December 2011
Natalie Muradin	June 2010 - May 2012
Nadia Tsvekov	September 2010 - May 2011

Short-term lab help

Amara Singh	August 2017-April 2018
Gabriel So	April 2016-September 2016
Leah Braining	April 2016- September 2016
Meng Lim	February 2015- September 2015
Nastassia Guarda	September-November 2014
Damian Klambauer	June-August 2014
Nicole Jarvis	March-May 2014
Vicki Peter	February – April 2013
Vivian Yu	July 2012- January 2013
Tia Chambers	September – November 2012
